E-INVOICING CONFERENCE

 25 OCTOBER 2022
 BLUEPOINT, BRUSSELS

The City of Antwerp already started using e-finance for the incoming invoicing of suppliers in 2016 and is making progress year after year.

Winnie Brees and Wilfried Horemans will talk about their experiences and how city is pursuing an active awareness-raising policy towards other customers.

TOPICS

- Onboarding customers and suppliers
- Standards
- Streamlining and integration of processes
- Laws and regulations
- E-Invoicing in the E-Procurement Cycle
- Purchase/Procure to Pay (P2P)
- Order to Cash
- AR/AP Automation
- RPA
- AI
- Blockchain

WINNIE BREES

E-INVOICING AWARD

The E-Invoicing Award 2022 will take place at this conference! Previously known as e-FA Award for the Flemish Government, but from now on for all of Belgium. It is a great opportunity to put E-Invoicing in the spotlight and encourage Belgian companies to use E-Invoicing and E-Procurement (more).

WHAT'S IN IT FOR ME?

Meet your peers and learn from each others knowledge and experiences. Broaden and deepen your knowledge during the keynotes, breakout sessions and workshop.
